“ *I know it has almost been a yearsimcr her passing but I just found out. □ Annette and I worked together at DeKalb Community Service Board and became close friends. Unfortunately, over the years we lost contact and lbtruly regret that. Annette was very loving and kind. She loved her family Sandy and Suzanne along with many others. This hurts my heart to know she is gone before we could talk again. But I know she is at rest and in good hands with God. Continued comfort and prayers!❤️*

“ There are so many memories. Pretty much any good memory from my teenage years somehow came back to Annette . I never got to go anywhere. My Daddy didn't trust anyone- anyone except her . That worked out good for me because as it turned out , she was the most fun . We had so many adventures. She took me to my first concert- Def Leppard “ Hysteria “ tour and then two weeks later we went to see AC/DC and Cinderella. She danced like a teenager dressed to the nines . My first trip to the beach was because of her . That weekend was the best time I'd ever had . She let me drive her brand new car . We stayed up all night countless times playing Gradius on her Nintendo - she kicked butt! She always had time for me . She was my second Mama . After my divorce she showed up at my house to spend the night with me . She said she didn't want me to be by myself. We had so much fun that night. Bashing our ex's and laughing. She was always just what I needed . She made me feel seen - special . She did everyone . “The Crue “ will never be the same .
I will miss her until I see her again.
