“ *Bill I am so sorry to hear of the loss of your wife, Annette. You and I have known each other for 43 years and I wish that I had been able to meet Annette during those years. Please know that our thoughts and prayers are with you and let us know if there is anything that we can do for you.*

“ *I never met Annette, but felt like I had, because of Bill. He would bring craft projects to work that Annette had made and share them with me. I got some great ideas from her and I gave them as gifts, so Annette made many people she did not even know happy, because of her craft projects. I know this is a sad time for her family, but I am just glad she was in this world for some time and she touched my life. My thoughts and prayers are with the family at this sad time.##imported-begin##Janice Haney Carr##imported-end##*
