“ Some people have luck and find happiness when they win the lottery. I have never played the lottery but I was born lucky by having Ruth as my aunt. She was the most loving aunt in the world, like a second mother. She was always focused on the family and was fortunate enough to have married a man who was just like her with strong family values. He will never be forgotten either and has been a lifelong model for me in how to live and raise my family. Many years ago I was lucky to have Ruth and Jack Denton visit me and my family at my home in northern California so she could meet my wife and children. For me, it was a chance for my kids to see how important family values are as the foundation to lifelong happiness.

Ruth had a long life but is gone now and will never be forgotten by those of us who knew and loved her. I will forever remember her and thank the Lord for having her and Uncle Jack Denton in my life.

“ Sandra,

Please know how very sorry I am to hear about your beloved mother. You took such good care of her and I know that she will be missed terribly. You and your family are in my thoughts and prayers during this time. I pray that God will wrap His Loving Arms around you to Guide You, to Protect You and to Strengthen you during the days ahead.

Cherish your memories of your mom and know that she is in Heaven today with your dad. If you should need anything, please do not hesitate to call me. I will try to see you soon. Love you!
