“ Marlene,

*Every parent should be so lucky to have a daughter like you that gave of herself so that they could have a quality of life in their moments of need. Our parents watched over our every step as infants and toddlers to secure our safety. You gave your mother that quality of life that very few of us will be able to do for our parents when the time comes to do so. We are blessed to know you.##imported-begin##Danny & Susan Campos##imported-end##*
