*I just found out yesterday of Tony's passing.*

*I was so very sorry to hear about this. I worked with Tony at Siemens (Siemens Canada division) and thoroughly enjoyed all of my dealings with him. He was so much fun to be around and chat with.*

*Last time I saw Tony, he gave me a vinyl record album that I will forever cherish.*

“ *Suzanne and Lauren;  
Tony was a great friend to Chris, and although we haven't spent a whole lot of time with you recently, we just wanted to let you know how sorry we are. I know it is not much condolence to you at this time, I know (from personal experience) that these past few days may seem surreal - all of this has probably not truly sunk in and there is not anything anyone can do right now to ease the grief you will feel by Tony's sudden passing. But you all have a wide network of friends, including us, and from what I saw in the pictures, alot of memories that will help you along the way. When you are able, if you need anything at all, let us know. I did want to let you know how proud he was of Lauren and all her accomplishments - he talked about her, to everyone, all the time. Again, if you should ever need us - even just to chat, give us a call.###imported-begin###Lori Bartley###imported-end###*

“ It is my prayer that you find comfort in the Heavenly Father during this time. I know this may sound cliché but time will make the days easier. I want you to know that Tony was a wonderful co-worker, always willing to go the extra mile to help you. Lauren, I want you to know your Dad was so very proud of you. He often talked about you. You made your Papa proud.

Tony will be missed greatly I know. And though he is no longer here on earth to see and touch, I know you, as I, will always carry him in your heart.

With sympathy,

Tonya Ware

Co-worker at Siemens###imported-begin###Tonya Ware###imported-end##

“ *Suzanne & Lauren, I was saddened to hear of Tony's passing as he was a great guy to work with at Siemens and always willing to help everyone. It was always fun to see when he'd bring his "mini me" to the office and the love he showed for the ladies in his life. May you both find comfort in knowing that your angel is watching over you and in the memories of the time you shared together. God Bless.##imported-begin##Yolanda Hawkes##imported-end##*
