“ *My cousin Nene had a beautiful heart and was a kind man. I hadn't seen him for about 6 years or so because he was living out of state. I have such good memories of him and I am sorry I allowed so much time to pass without communicating with him. As I look at the pictures he appears to be very happy and I am glad to see the smiles on his face.*

Nene, you were loved by so many because of the kind and gentle heart you had. I know you are now with your mom, brother and other loved ones who have left this earth before you. I hope you did not suffer and that you died peacefully. I will see you again someday. Love you Cousin!!

We met around 2003 when working for the same trucking company. Once we happened to run out of hours at the same time in Oklahoma. So we went to my house, had dinner, slept the night there and ate a huge breakfast...Anthony was so tired, we all were and slept like a rock. Anthony has a heart of gold. He'd give you the shirt right off his back. He was a great friend, who would give you the shirt off his back... He is truly missed...RIP my friend ...<3

“ *We met Anthony about 3 or 4 years ago. What a loving and caring man he was to his wife Cathy and step -children Abby and Ralphie. I always had to laugh when the dogs would follow him wherever he went. He will be dearly missed. Good bless you Cathy and the family.*
