“ *Lynda and Larry's family.... Our heartfelt condolences and sympathy for your loss. Larry was a great man and even greater Christian. I take comfort in knowing Larry is experiencing the Glory in the presence of the Lord. We pray that you feel that comfort too.*

Larry comforted Carrie during her battle with breast cancer and helped counsel me as her caregiver. I'll never forget how much that meant to us.

Larry also helped me through the difficult time I was having of unemployment back in 2008. He always had encouraging words for us.

May Larry Rest In Peace and Lynda, know our thoughts and prayers are with you and your family in your time of grief. We have another advocate and Angel for us in Heaven. God Bless you!

With our sincere sympathy and Love, Tom and Carrie Rajek

“ Linda I was saddened to hear of Larry’s passing. He is safe now in the arms of the angels. It’s hard to understand why people are taken away from us but find comfort in knowing you were a special part of a life lived life. My thoughts and prayers are with you . Marge Olmsted

“ Today I preached on Proverbs 18:24. "Some friends play at friendship but a true friend sticks closer than one’s nearest kin." Larry, you did not "play" at friendship. You took the responsibility of being a friend to me and I'm better because of that. You held me up, you called me out, you cheered me on, you argued with me, and through all that-you loved me. I love you so very much. I shared with everyone about the friend you were to me. I thank God for your Larry Danna "ways." Thank you, Lord Jesus for putting him in my life.
