“ Jenny and J.B.; I am really sorry to hear about Tony's passing. He and I have been friends and members of the same hunting club for several years. In fact, Tony recruited me into the club where he has been a member for many years. We all knew that Tony really enjoyed spending time there with J.B. If there is anything we can do for you two, please let us know. Again, I am very sorry for you loss. My condolences to you and your entire family.
