“ *Tony was my roommate in the 80's. I remember him as the long-haired rock and roller. He was the best roommate I ever had. We shared our love of music and our italian heritage. I had no idea that he passed. I just know that I had not seen him on facebook in a while. I will always remember him with love. I will miss you piasano.*

“ It is with a heavy heart that we need to say goodbye to our nephew Anthony (Tony).
We always enjoyed seeing Anthony when we came to visit. He and his Uncle Bill could talk for hours about motorcycles and how they loved to ride there Harley's. The last time we talked with Anthony, he was saying that he would like to come to Mississippi and relax and do some fishing in our pond. So sorry he didn't get to make it here.
Anthony loved his children and his family. He will be missed by many.
He will always be in our paryers .

“ I met Tony in high school at the same time I met my future husband Thomas "Lee" Duncan. They had been friends for a long time.

Tony and Lee played in several "garage bands" together and I was there to hear it all.

I can truly say that he loved music and loved it loud. He was one of our groomsmen.

I never thought I would see him in a tux- he said "I look like a penguin with long hair".

He looked great. We will miss you Tony.

“ Tony... You will probably never know how many lives you affected with your influence. You were loved by a lot of people. You were a proverbial "bull in the china shop"....but you were really pretty soft on the inside! You left us in God's time, not ours because we would have claimed you for much longer. Be at peace now. Rest yourself.

Barry, you had him pegged exactly. He was hard and crusty on the outside, but soft and gooey on the inside. He had a big heart. Thank you for sharing your expression of sympathy with us.

“ I worked with Tony for a few years. Was very honored to take care of his dog quite a few times at the office for him. He loved his dog so much. Tony you will be dearly missed by everyone who's lives you have touched. You loved God completely and you knew he was your Father in heaven. It gives me great peace to know that you are with Him now. Until we meet again, rest in peace my friend.

“*My stepson Tony Jr was a marvelous musician he shared a wonderful disc of his own music with me in his early years. It drove his Dad a bit crazy, his long hair and such but his Dad and I were very proud of him. Tony loved his kids more than his music he was so proud of both of them, he was a great Dad. He was a great friend, I will miss you Ton....say Hi to Dad please give him a hug for me. God Bless you both.*
