I did not know Anthony. I met a Cobb County police officer at lunch today, returning from his funeral and told me about him. I am praying for the family and his daughter because I lost my father when I was young and know the loss of a parent. He was proud of his family and served his country both as a marine and police officer. You can be proud of him. Semper Do.

I am saddened by the loss of Anthony. I had the pleasure of having him in my JROTC program at Shiloh High School for 4 years. He was a dedicated drill team member and a dependable and trusted cadet. I still remember him practicing for a drill meet in the commons. I also had his older brother Marc, and sister Liz, in our program. My heart goes out to them, and his parents. May you find some peace in all the good memories of a short life well lived. Many hugs. Major Trujillo

“ I am a resident who lives on Brady Drive. I clearly remember the first time we met Anthony. I was visiting a neighbor who lived across the street from Tony. We were outside in the yard and Tony came over to introduce himself and shook our hands. He had just moved into his new home. He was all "smiles" and so very happy!

My dad recalls sitting on the front porch seeing Anthony in his patrol car coming up the hill on Brady Drive on his way to work.

We are so honored and proud to have men and women who serve and sacrifice for our safety abroad and at home. Freedom is never free.
