“ Marlo,  
I am so sorry. I just got a call yesterday from one of the girls at Publix telling me about Anthony. I don't work at Publix any more so I did not know about this until then.  
My prayers are with you and your family. Even though I didn't see Anthony much after he left Publix. He was always one of my favorites.  
Love to you all.

“ *My Dear Anthony,  
How I will miss you and our phone conversations. Although we had never physically met our conversations grew into a great love for one another. What we had over our cell phone romance was fabulous and I'll treasure it forever and will be looking for you to hook up with when my day comes. Until then just remember I loved you and will never stop loving you. Take care my boi until we meet again.  
To your parents and family that you loved and talked about so much my heart goes out to them in this most difficult of times. I just want them to remember that your at total piece now for the first time in a long while.  
Love and Aloha for now, Lenny*##imported-begin##lenny##imported-end##

“ dear marlo, my heart goes out to you and your family during this great time of sorrow. i know you must have many questions you would like to have answers for, but i know god has the sustaining grace you need to face the days ahead. i pray god will hold you close and comfort each of you. god knows all of our needs, and he knew anthony' needs. sometimes we don't understand god's will, but just know he never makes a mistake. what earth lost, heaven gained. i think this is what anthony would say to you today. if you only knew, i'm just going home. your prayers have been answered, my sickness is gone. things look much better, from heaven's view. the sun always shines, we're having a time, if you only knew.###imported-begin###robin lawson###imported-end###

“ JC, Linda and family,  
I know there are no words to touch the heartache you are feeling, but I hope you find comfort in knowing that so many are praying for you to find strength to face this difficult time.  
Anthony was such a special young man and touched so many lives in his 29 years, with his warm & loving heart. I have so many wonderful memories of him, as far back as the Harmony days, through his time at Publix. He always welcomed me with his sweet smile and asked about our family. He would visit my Aunt Irma, to see if she needed anything & it meant so much to her & to all of us. I know she welcomed him into Heaven, with her loving arms & is thanking him for being so kind to her, at a time she needed it most. God knew Anthony's heart & understood & loved him completely. Please know you will be in our thoughts & prayers now and in the time ahead.##imported-begin##June and Lanier Floyd##imported-end##

“ My Precious God Son, Oh how much we loved you from the time we first saw you laying on your daddy's chest, home from the hospital. Anthony, you will always be with me, our precious memories, especially when you stayed with me during the time I went through breast cancer. I would be mad or down because I was sick, you always said to me, "Mama, we not going to have none of this, now you get out of that bad mood." You always made me laugh and oh did we have wonderful times together. You are loved so much by our family. Granny Knott loved you as much as any grandchild that she had. I know that when Granny saw you she was so happy to see you, she welcomed you with welcome arms, and said "Here is my Anthony". I love you my God Son, Oh how I will miss our laughs and our fun and giggles about what ever we were talking about. We will love you forever, Mama Johnnie \* Pappa. You always called John "Pappa"###imported-begin###Mama Johnnie & Pappa###imported-end##

“ Anthony, there are no words to express the amount of love I had and still have for you. You were the perfect friend and life long brother. I will miss you more than ever. I ask that when you get there, you are greeted with open arms and my mother take care of you forever. To the family, there are no words of solace, no words to comfort. But there is a deep and resounding love that will withstand time. I am here for all of you no matter what it might be.##imported-begin##Chris Dacus##imported-end##
