“ *there are no words to express how much I miss you mom, it has been a long, long time since you left but I still wish I could have just one more hug, or one more phone call. I have been doing my best to become someone you would be proud of. you left us way too soon, I still need my mom, the girls miss you too and poor Ben never even got a chance to know his granny. you would always hide when pictures were taken or camcorders were running so how will they ever know what a great person their Granny was??? All I have is memories and stories that I tell them often.*

*Nikki-poo love you to the moon and back and misses you every day.##imported-begin##Amber (Nikki)##imported-end##*

“ Happy Birthday April Ann! I posted this yesterday but it didn't go thru.

*I miss you more than anyone knows. My heart aches for you and to hear your voice. When I woke up on 4/1/09 the first thing I said was : " Happy Birthday Lil' Sis" I know you heard it. Wish you were here. I have an angle for your grave and will bring it out soon.*

*I MISS YOU SO VERY MUCH!!!!*

*I LOVE YOU!*

*Jani*

*PS: I talked to Mom and the 1st thing she told me was it was your Birthday. She thinks of you all the time and I know it hurts her so very much that you are gone.*

*Tell Ray Ray, Doug, Grandpa and Grandma Evans and Grandpa and Grandpa Stanley we send out love and miss them too!*

*HUGS!##imported-begin##Janice##imported-end##*
