“ *April,  
Today last year, god called your name and you went home! I want  
you to know that I love you and miss you! I found this quote and  
thought of you "Death leaves a heartache  
no one can heal;  
Love leaves a memory no  
one can steal"###imported-begin##Tracy ##imported-end##*

“ You were not forgotten on your birthday!

*Birthdays do not end with death,  
But last as long as love,  
A maelstrom of memories  
That grace and honor move.  
And so we celebrate your day  
By visiting your grave,  
A place that you have left long since,  
But is all that we have.*

*Dear spirit, come and join us here,  
Your loved ones by your stone!  
Come sweep across the barrier  
To claim us as your own!*

*Happy birthday, dearest one!  
Oh, happy, happy day!  
Not even the most bitter night  
Can take this joy away!##imported-begin##Tracy##imported-end##*

“ *Friendship is a Priceless Gift that cannot be bought or sold,  
But its value is far greater than a mountain made of Gold.  
For gold is cold and lifeless, it can neither see nor hear  
And in the time of trouble it is powerless to cheer--  
It has no ears to listen nor heart to understand,  
It cannot bring you comfort or reach out a helping hand  
So when you ask God for a gift  
Be thankful if HE sends not diamonds, pearls or riches  
But The Love of Real True Friends.  
I love you girl and miss you!##imported-begin##Tracy

“ *To the family of April,  
My heart goes out to each of you and you all in my prayers! I got to  
know April at Blackstock's. When she left the 2nd time since I met  
her - I missed her shy friendly quiet voice. She always had a smile  
on her face! Heaven gained a sweet person. I know that your life  
seems to be in a downward spiral, but put your trust in God and  
seek him for comfort and support each other. I would like to  
persuade each of you to read the book "90 minutes in Heaven" by  
Don Piper. He died in a car accident and was dead for 90 minutes  
and went to Heaven. You need to her what he has to say about  
Heaven. I lost my olderst brother to a freak accident 7 years ago  
and it devastated my family, but after I and my family read this bookit  
changrd our lives and outlook on death and Heaven. What a  
wonderful place to be!! My prayers to you ALL!##imported-

“ To Whom I called "MY PRECIOUS PRINCESS". God needed an angel as kind and gentle as you with him is why you went home so soon. You are loved and left very special memories to all you came in contact with....I have never known anyone as pure and precious as you....

Love,

You're Mother-in-Law

To have soon been. In

My Heart you already were but

You had to go away

“ I hope dewayne will always remember the loving mother he had. April truly loved her son and anyone she let into her life. She was a very special person who was taken from this world too soon. I'm so sorry she had to be taken from you during times of disagreements. It makes this so much harder for your family I'm sure. Just knowing she is in a better place, where she can watch over her son and not be the center of strife. I truly hope her son will always remember what a special person she was and how much she really loved him.##imported-begin##baab##imported-end##

“ April was one of a kind, nobody can replace Her kindness, sweetness, looks or charm! She was a true friend with nothing but kind words and a big heart, such a great person for one to have known. Such a loving person taking from so many loved people in such short time, but with that heart of Hers we know She lays in Heaven watching over us. I hope to know many more friends like Her but doubt they will be many & I also hope everyone whom loved Her will one day look back and wish they would have all stuck together through these though times. April my you rest in peace, thanks for being a real true and kind friend to the end. We will always love you!!!
