“ To My Nutt Family! My heart is broken. I so wish I could be there to let you all know how much I Love YOU. Dad (Archie) was a very big part of my teenage life growing up and I looked to him for wisdom after my Daddy died...like the time he came over to help me find the septic system, with his magic wands and walking around. He was on the money!! I will keep all of you in my thoughts and prayers as you feel like you are being dragged through this journey.

“ My brother Archie was a very dedicated man. He loved and cherished his wife, Jeane and their children Janice, Andy, Lisa, and Ben. Mama was always so happy when Archie and Jeane came to visit, our house was full of love. We the youngest of the family loved playing with his children. Archie was always full of life and love. I will miss his calls and checking up on all of us. We love you brother and you will always be in our hearts
