“ Jean, Pat, and John,
Carol and I are sorry to hear of Archie's passing. He was such a great man. Before I retired three years ago, I was able to meet with Archie and Ken Brewer at Hardee's for coffee in the early afternoon. We sure had some great conversations. I really enjoyed talking with Archie and keeping up with all the grandkids.##imported-begin##Jack and Carol Spence##imported-end##

“ We wanted the family to know much we thought of Archie when the three of us worked at PACE everyday, 1987-2003. He always had a smile and a kind word. He was a very quiet, gentle but funny man. WE all raised our children there and he was always so sweet with our children. Archie will always be one of our fondest memories from PACE. We wanted to let you know how much we thought of him and how he always brought a ray of sunshine to our days. You have our deepest sympathy.
