“ *I am so sorry to hear about a great loss to your family and to a friend of mine. I always remember Arnold for the good times. I remember on a couple of times going out to dinner with him he would tell the waitress extra bacon and extra cheese. I enjoyed Arnold while he was here on Earth. He always had a great song to share and being a musician myself I could relate so much with him. Arnold will be missed by myself and my partner. I will be forever changed by his life and how it affected us in such a good way!! I love you Man!!
