“ Carol and Family,  
I was very sorry to hear of Arts passing. I have many fond memories of coaching with Art. He always had a unique perspective on things and knew how to keep us laughing. He was really good person.

“ Art was one of the sweetest and kindest men I have ever known. He was always there to lend a helping hand or a kind smile. He loved to make you laugh and his laugh was like no other. When they say he lived life to the fullest he truly did. And boy did he love his family, especially those grandkids, there was not a time where he was not telling you a story about his grandkids. Art loved fully and he and Carol had the most beautiful relationship. The love between them was apparent. Art loved his family and he loved his friends. He and Carol both always made you feel as if you were part of the family. If you were their friend you were family. I cherish the time that I was able to spend with them both. Art, you will be truly missed by so many. My heart goes out to your family. Love, Shelley Tate

“ A million and one memories... I'll always fondly remember our chats when I was going thru some difficult times. We'd sit and talk for hours. He always made time for me and treated me as one of his own. He will be missed by so many. I feel fortunate to have had my life touched by him in such a profound way. 🙏🙏🙏
