“ To all my dear cousins, children of Aunt Arvie, my thoughts are lingering on memories of our childhood days and the fun we all had together those many years ago. Memories of Aunt Arvie taking care to see we were having fun even when we tried to hide and not do our work. After we all grew older and haven't seen one another but just a couple times, I was aware aunt Arvie had been very sick. It's now time for her to rest while sitting at Jesus feet, smiling and singing praises, waiting for all of us to meet her there. Just know that her mother's love and prayers for all of you never left her thoughts for one minute. I'm sorry we could not be with all of you during this time of sorrow. “ To all of Arvie's family, I am sorry I can not be there for the funeral tomorrow since I now live in South Carolina but know my thoughts and prayers are with you during the days ahead. I know she is at rest and we have the hope of seeing her again some day. Love all of you.
