“ Ashley was always as big as life itself. I loved her kind gentle side and yet her love for life and laughter filled a room. I will never forget taking her horseback riding for Hope's birthday. Her horse was stubborn and I ended up pulling him all along the trail. We laughed and laughed all along the trail. Life on a mission trip was great too! She kept us all going with her joy and compassion for the children. Charlie and I send you heartfelt prayers for renewed joy, comfort and peace. Love, Janet and Charlie Meade.

Ted, Lisa, Johnny, Angie, Mike and Nancy my heart is saddened by this news. I knew her when she would come over to Nancy and Mike's house when she was a little girl. I know you are devastated. Grief never ends... but it changes. It's a passage, not a place to stay. Grief is not a sign of weakness, nor lack of faith... It is the price of love. I pray for your well being and hope you can be strong and cherish the memories.
