“ *There are way too many memories that I had of my Baby Sister during all the 48 years of her life to share on this page. Just knowing that she loved me and I loved her; Audriea may have not had much according to this world, but Audriea had it ALL. She knew her God, she was country as they come, with a big touch of Soul..She spoke her truth!! She was fun..willing to try anything! I will miss her dearly. Til I see you Again, cause I know this is Not where it ends...I will carry you with me, til I see you again. Love, Wanda (Sarah)*
