“ To the Skidmore family,  
  
May your happy memories of "awesome Austin" help you all through this most difficult time. I remember at Zak's award ceremony for when he received his Eagle Scout and Austin was so excited about his big brother getting awards. Also whenever he would wear his shirt that said "This is what awesome looks like" he would point to his shirt and say "mom". Whenever he would tell us something about his dad he would use his hand to imitate an airplane. So adorable and very personable!

With Deepest Sympathy,

Maureen Shannon  
Assistant Principal from Hooper Renwick

“ As one of Austin's nurses at Marcus, I feel we got to know him very well. His was a happy spirit most of the time. He loved to be helpful, and to say hello to everyone as he was walking through the halls! He stole my heart. I will remember him with love and joy. ~Nurse Nancy
