“ *We love you Grandma Barbara! Chad has said he knows he would probably not be here if it weren't for you never giving up on him no matter what. I personally wanna say thank you for that bc without your love and support we might not have had Cambree. Rest easy in Heaven and know we are watching over Dixie and I am trying to keep Chad in line (but you know how tough that is) we love and miss you!*

“ *Ms, Barbara was our next door neighbor. My son Wesley and her had an instant bond. He would see her outside and run over and give her a hug and he would just stand and talk to her. He loved playing with her dog outside.*

She was such a wonderful lady who loved when I sent Wesley over with meals that I made.

She will truly be missed .
