Barbara had a sweet Spirit, loving heart, and quick with that showed up even in her last days. We are thankful for the short amount of time we spent with her. She's blessed me. Every time I said, "How are you, Barbara," she didn't complain, but replied with, "I'm okay." She's is now better than okay; she's with Jesus. We are praying for all of Barbara's family and friends. May Good bring you all peace and the assurance of His love and grace. With love and prayers, Todd and Terri Ware.

“*“Barbie”, as I always called her, made a long lasting impression on me of what a young Godly woman should be. She was the only single woman that I knew who was so independent, moving so far from her family, getting a great job and buying her own home. She showed me that a woman just needed to rely on God to meet her needs and not to be fearful of making big decisions. She showed me how to enjoy God’s blessings each day and to not worry about the future because God is in control. Mike, I am so sorry for your loss. I can only imagine how you are feeling. Her absence has left a hole in our hearts that can only be filled with so many wonderful memories of her. Eddy’s and my prayers are with you and your family. We love you.*”

“ Barbara was an AMAZING talented, gifted, caring Godly lady. I can remember like it was yesterday when she moved up from FL to VA and she fit right into our youth group in Dale City. She ALWAYS had smile on and was there ready to help anyone she could. I have always and now will cherish even more the crossed stitched Eagle she made for me many years ago and her personal note on the back of the frame she put it in. Over 40 years have gone by and at times I lost contact with her and Mike, but they have never left my mind and heart. I am thankful for the example that she always was to me and many others. I cannot begin to imagine how Mike the kids feel as well as all the family. But when they read this, my prayer is that God would use it in some way to comfort them see the impact (which I know they saw too) she had on COUNTLESS others. I have so MANY memories from those early years in Dale City but then more recent when we would get together for youth reunions. Barbara, thank you for the impact you had on my life and the example you were to me over all those years. My deepest heart felt prayers and sympathy goes out to Mike and kids and all the family. I will never forget she always called me, "Jeffro" and had that great smile on her face when she did. She will be GREATLY missed, but we WILL see her again one day as she is with our Lord Jesus now. Thank you Barbara.....

“ Mike, I was so sad to hear about Barbara. My thoughts and prayers are with you and the family. I remember the year Barbara told me that she did not put up Christmas decorations so Diana and I went on an expedition and cut down a tiny pine “bush”, decorated it and left it on her porch in Forestdale.
