“ I have had the privilege of knowing Barbara my entire life! She and my Mom became friends in the second grade. Barbara was my Godmother. A role she loved to play which gave her the Nickname of "Fairy Godmother". From family vacations to just hanging out after school, all of the South's were very much a part of our lives! There are so many great memories and stories. I still have Barbara and Dan's bedroom furniture that she gave me when they were redoing their bedroom. She was the MOST generous person I have ever known. I cherish all my Barbara memories and will forever.
