“ Scott, Tammy, Frank, and the rest of the family - I am sending thoughts, prayers, hugs and love ! Aunt Barbara Jean was a totally amazing lady that always showed me and all of us LOVE, kindness, and support. She never missed sending me a birthday card (as she never missed anyone else's). Her braveness got her to ride on the jet ski with me (even though I am not sure she wanted to) after I pushed her to do it. She laughed and screamed (especially when we saw a snake when riding) and it is a priceless memory that I will always cherish along with so many more !
She will be greatly missed by all !
Love,
Mary

“ Aunt Barbara Jean was with our family when my Mom went to heaven. She supported us and gave us the strength to continue on without her. There was always a birthday card in the mail from her on your birthday. She made everyone feel special. She kept a record of every birth, marriage and death. She had everyone’s phone number and address. Since my sister and Phillip passed I’ve been keeping an electronic copy of those records. She’d send me an email, text or call me and have me update the file. Family was important to her and she was proud of that list. She could tell you exactly how many was on that list. There is a hole in our heart, but what a reunion they had in heaven on Monday. My condolences to her immediate family. Thank you for sharing your Mom and Nana with us.
