“ *Barone you know what you meant to me. I'm sorry I didn't make it to the funeral we talked about this so you already know. I still can't believe this happened I never imagined my life without you in it. Even though I was miles away and we didn't talk as much as we once did well I just knew that no matter what you were there always. Things changed and your gone and well life just is not the same and I don't like it. I miss you and I will still always love you no matter what even though your gone I know your watching over me up there and that's what keeps me going so you will forever be in my heart you know that until we meet again. The right kind of way next time.*

I Love You Tommy Barone Massey!

and I know you truly love me to and if the timing was different things would have been different but you chose the right path and I wouldn't have let you chose any other than what you did. Brittany is an Amazing Woman from what I can see and soon it looks like your granddaughter will be truly Amazing also. I know this because she will be part of you. Just wish you could be here to meet her. Your truly a Good Man Barone I know you didn't think so yourself but you were one of the Good Guys with the Biggest Heart !

I Love you Always and Forever for Eternity!

I miss you so much!

Love Me yours truly

Michele Bowen!

One of my brothers very best friends. I had not met him before my brother was in an accident. My brother was in the hospital for weeks, not knowing anyone, not expected to live. I will never forget the day I sat in my brothers room, every moment was a struggle. And Barone, a faithful friend and brother, came walking down the hallway of the hospital towards the room, hand in hand with a beautiful little girl. I was still reluctant, not knowing, and he so warmly asked if this was where his friend (my brother) was. I told him yes, tears overwhelmed my heart and eyes. I love the other stories I've heard, especially of the good, whole hearted, faithful man that he was. Thank you Barone and family, for being the real and caring people you are. Forever in my prayers will be this family. All my love, Tess.
