I was so sorry to hear about your Mother. We are never ready for this, no matter what the circumstances. It is always hard to let go. I only found out a little while ago, not in time to visit with you. I always thought so much of your Mom and Dad. Your family was part of my growing up. I have very fond memories of all of you, and I will never forget you.

I hope I will be able to visit with you soon.

Love,
