*I have so many good and fun memories with Belinda when we were little. We used to be at each other's houses all the time and went everywhere together. I am glad we had a chance to reunite because of Facebook. So sorry this happened.*

*I have known, and talked to, Belinda almost every week for the past few years when she was my server at Noodle in Midtown Atlanta. I would always go by myself at a time when the restaurant was not crowded so we would have time to chat. She was an amazing, sweet and bright soul. She would often talk about her children and always had a positive attitude. I am SO sorry and saddened to hear of her passing. I was there today and was told the news. I offer my condolences to her family and all those close to her. Her absence will leave a large hole in my heart but her spirit will always be present.*
