“ *Belinda was a welcomed member of our Southern Sweethearts bowling league for many years. Her sudden passing was very troubling to all of us as we were expecting to see her soon after her recent surgery. Her good hearted nature and grinning face will be missed by her teammates and all the league members. She and her family are in our prayers and thoughts.*

“ *I have so many wonderful memories of Belinda I would not know where to start. We met about 15 years ago at Boy Scouts and had been friends ever since. In fact she was my best friend and I hope she felt the same way about me. Since the two of us did not have full time jobs like most everyone else, we found a lot of time to run around and get into trouble. We went to lunch, shopped, went to movies(her family loves going to movies) bowled in a bowling league together, went with each other to our doctor appointments, camped, swam, worked camps together, and just enjoyed being with each other. Of course, there was always Boy Scouts that had something for the two of us to do. We had a hard time saying no! My life is going to be very empty without her. Rob, Chris and Daniel were very lucky to have a wife and mother like her and I know they will be lost without her. My prayers are with all of you as you work through this difficult time, but just remember she is looking down on you and she loved all of you very much.*

Belinda was a wonderful wife, mother, and member of our church, LFUMC. We worked, served, and bowled together, for the short part of her life that I knew her. I have seen much of what she meant to the Boy Scout Troop and seeing her two Boys through the Eagle level of scouts! She will be missed by all she encountered, but not Forgotten. Now she awaits the rest of us to join her at the camp fire in heaven!
