“ Ben, you will be greatly missed. Earth is a tough place. We had a lot of wonderful times together. I hope you and Jesus do too. We love you always and hope we can join you in heaven one day. May we all remember to love each other. You were a special person, may all those whose lives you touched know that GOD loves us all and ask only that we believe in him. We all can see you again if we wish. Love is of GOD. May we all know GOD's love. Jesus will save all that allow him to. We are all sinners else he would not have come from heaven. By his stripes we are saved. Times are hard. Let us pull together and love as GOD loves us. Ben knew GOD's love and believed. He has been saved and lives in a heavenly realm. May we all know that love also. Always, Mom
