“ I was very sad when I heard about the loss of Ben. He was a long time friend and truly one of a kind. When Ben was in the group, everyone had a "big time". He will be missed by many.##imported-begin##Gary Rockett##imported-end##

“ So sorry for your loss. Benny will truly be missed. He was like a member of the McCartha family. Years ago, our door was never locked and my Mother would come home from work and find Benny had stopped by to take a shower before going out or spend the night when it was late and he didn't want to drive back to the lake. He was their for our family when our Father, Mother and brother passed away.##imported-begin##Donnie and Beverly (McCartha) Crider##imported-end##

“ Ben was a good friend and client. He would visit my office each year and we would go to lunch together. I bought a suit from him every year for many years. I had an appointment scheduled with Ben on March 6, 2013 and he did not show. I knew something was wrong but I could not locate him. I want to extend my condolences to his family.##imported-begin##James E. Warren, CPA##imported-end##
