Ms Bernice will certainly be missed. She was a very caring and giving lady. When my aging parents lived across the street from her in Covington, she did so many wonderful things for them. My sisters and I will always be grateful for the way she loved and checked up on them. I always enjoyed the sausage biscuits she made for us, when I was in town.

“ Oh Karen, so sorry to see this.....your mom was so incredibly helpful to me back when we were driving together in Grayson! We had some wonderful times together and I think of her often. I'm sad that we drifted apart the last few years as she touched my heart in ways that it still brings me joy when I remember them! She loved you so much and wanted you to be happy more than anything. Do you remember the time we did the makeup thing at your house? I loved working with your mom, I loved the friendship we had at work and outside of work. She's now one of God's precious Angel's. I pray that God gives you the comfort to help you and your family in this sorrowful time. Thinking of you and sending prayers.... Yvonne Brown

“ Ode to Aunt Bernice

Today I stand alone absent from one who's love has guided me and molded me all the days of my life,one though poor gave to us unselfishly all the riches of her heart. To us she gave the one true treasure of life= love

“ Karen, I wanted so badly to come in person to say my goodbyes and to offer you my support and love. Bernice was a wonderful aunt and she and Wallace always loved all of us so much. Through all the highs and lows in life, Bernice was always there and I will forever and always appreciate that she took such good care of her Mama (our precious Oma). Bernice and Wallace took me in when my life was falling apart in the Cove and gave me the opportunity to change my life forever. For that too I will be eternally grateful. I know I was not easy to live with back in that day. Bernice always tried to give the best to all that crossed her path. She had a kind and beautiful heart that was always open. When we would come down from Green Bay to visit, she always opened her home to us and my son and grandchildren. We had hard times through the years, but we also had lots of laughs. I just had a flashback of you and I when we were children sitting on the well house in our yard singing "D I V O R C E." Probably shouldn't have put that here but it crossed my mind and I wanted to share with you that innocent moment in our lives. Yes, we thought we could be country stars. Karen, you were always a star in your mom's heart and I am sure her and Wallace are together now still holding you as the most precious thing they ever had. She is now wrapped in divine love. I am truly sorry for your loss. Losing Mama is not easy. May the peace of God that passes all understanding engulf you at this time and the rays of his love give you strength and solace.
