“ The Cooper's love Bea! We were always so touched at the interest she took in our lives. We couldn't believe how she remembered all these small things even when months passed between our visits. What an incredible lady!

“ Mrs. Hunt was a gem among gems. Her compassion was unprecedented. I was so glad she and my Dad had the chance to visit recently at her grandkids weddings. I am so sorry she is gone from us here, but I am so glad she is reunited with her beloved husband and all her friends. I will miss you Mrs. Hunt. (and no I won't call you Betsy - I just can't) Much love to the entire clan of Hunts (no matter what your last names are now). I am also blessed by the family and their outpouring of support when my Dad passed. Please know that all of you are in my prayers.
