“ *Our sincere sympathy to the family. I will always remember cousin Betty's visits to her Aunt Mary's place in Pennsylvania. They were always breath of fresh air. The summer I stayed with her and the family (1953) was great.*

The years and the distance between us did not allow for many contacts in recent years, but the memories are always there.##imported-begin##Don "Doc" & Sally Porter##imported-end##

“ Girls,

I am so sorry to hear about your mom. I have been really glad that I brought my mom down to see her before she became ill. I have so many memories of your mom and mine together.

I will be praying for all you during this time but also rejoicing that she is with your dad and all the other family that have gone before.

*God Bless
