“ *Mama, you gave us such a great life with wonderful memories growing up and I cherish all the things you taught me. I just hope I've done a fraction of that for my kids. I will miss you but I already know you are so happy in Heaven with daddy. Always watch over me from above and help guide me to do the right things. I love you, Terri*

“ Mom, We had so many good times together. You have given us so much joy and so many fun memories that were captured in pictures we will cherish forever. Enjoy your new home in Heaven and being in dad's arms once again. I am so thankful for a very special lady or should I say an Angel sent from God that entered our lives because of you. Beatrice and Wisdom Well Living became our new FAMILY. I have included a very small sample of photos that represent our time together.

We Love You! Tabetha, Mike, Nina
