“ Our love and condolences to "MawMaw" Betty's family and friends during this bittersweet time. We're thankful that Betty is now with Steve in a better place where there is no more pain - but we also know how much her family loved her and that they will miss her tremendously.

*We pray that God will keep all of you under His wings and shower you with comfort and tender mercies that only He can give during this sad time.*

*What a blessing it was for us to have known Betty throughout the years. She was such a sweet lady! It was also a blessing to see how her family provided loving care to her during her difficult, painful last years - an inspiration to us all!*

*Please know that our hearts, prayers and love are with all of you, her loved ones.*
