“ My prayers go out to Louise's family. Louise was Inez Holtzclaw Anglin's first cousin. Inez was my mother. My grandmother, Cora Adele Holtzclaw was Louise's aunt, Minnie's sister. Louise and I had become closer over the last 10 years as the family's older generation passed on. We talked regularly sharing family memories. Paul, my better half, and I visited Louise on June 26th last year. I did a painting of a red rose and bud and hung it for her in the living room. She so loved red roses. I'm adding a photo of that painting hanging there.
Louise was a wonderful loving person, someone who inspired in many ways. She will be missed. I loved her very much.
God Bless her beautiful family.
With Love and Sympathy,
