“ *What a wonderful Lady. My family lived two houses down from her (Sarah sikes, Michael and Barry Sikes and myself.) I have her family in my prayers. Time will ease the pain of her loss. God Bless her family.*

“ *I had the privilege of meeting Ms Betty Jo two years ago when I started caring for her hair every two weeks. We shared a lot of laughter together as well as a love for gardening. She shared a number of her flowers with me and I will always remember her as I watch them bloom.*

*Betty Jo was my first cousin who told it like it was. She was as independent as one could be her entire life and especially so after the passing of the love of her life-Horace. I valued her and will miss the force in my life that she was. Her war is won.*
