“ Betty took me into her family and into her heart. Family was everything to her and she not only allowed me to be a part of it, but made sure I was a part of it. When I first entered this family, I had lost my own mother 2 years prior and it was heartwarming to have a mother in my life again.

Her love of family and kindness is reflected in her children, grandchildren & great grandchildren.

The world will not be the same without her.

“ Our sincerest condolences to the Risley family. The best tribute to Betty is the great family she and Bob raised..it is also her proudest legacy. We are grateful that two of our children were fortunate enough to have joined two of theirs in strong, happy and fruitful marriages.

“ *So sorry to hear of her passing. I know Betty as Mrs. Risley, my friend Linda's mom as well as a 'boss'. Mrs. Risley kindly hired a bunch of us in her kitchen. We all have fond and funny memories of our 'first real jobs'. She was a saint to put up with our shenanigans. I'm sure we were good little workers having the energy of teens but also a 'bit much' to handle as well as eating the home out of pudding and other treats. Again, Risley's...sorry for your loss!*
