“ *The memory of her smile warm me like the sun and the memory of her laughter echo in my heart. when betty was taken from me ,the pain seems more than i can bear.And yet my memories grow more precious,she live on in my heart .No one know the ways of eternity or understands when the one we love leave this earth too soon, before we are ready to say good-by.But you can be sure of this-that she is in my heart###imported-begin###jay wimbish###imported-end###*

“ *My dearest mom, you were the best mom in the world and will be greatly missed. I think about you every minute. You always comforted me when I was sick or emotionally distraught, you always gave me great advice, you made me laugh, cry and you made me strong. I know you are in a better place now with Michael by your side. You were and always will be my everything. I love you so much. Joanne###imported-begin###Joanne Knapp###imported-end###*
