“ I remember Betty's laugh and unforgettable smile. Life, under the hardest of circumstances was to be enjoyed, and Betty believed that. She contributed so much to the Emory Eastside Medical Center Auxiliary and everyone loved her. She will remain in our hearts forever. I was blessed to have known her.###imported-begin###Annie Copeland, Director of Volunteer Services, Emory Eastside Medical Center###imported-end##

“ Ms Betty always called me her Sally Dally Duddlebug and I am gonna really miss that. Since Ms Betty was a huge Braves fan and I am a huge Dodgers fan, every baseball season the two of us would have a dollar bet on each game in the Braves/Dodgers series. Needless to say, Ms Betty got a lot of my dollars!! I will miss her deeply, but I know we will meet again in the future. That day I am looking forward to!!###imported-begin###Sally (co-worker and friend)###imported-end##

“ Many people will walk in and out of your life, but only true friends will leave footprints in your heart.  
I've learned over time- that real heroes are the ones who do what has to be done when it needs to be done, regardless of the consequences. Betty is a true hero.
