“ I met Miss Betty through my sister, Candy, many years ago. She was a very special lady. I really enjoyed talking to her when we would see each other. She will be truly missed. My heart goes out to all of the family. I wish that I could attend the services, but my husband, Donice, is not doing well. My thoughts and prayers will be with you during this time of sorrow.

“ My thoughts and prayers are with each of you. I know what you are going through and I love all you very much. Betty was like my second mother and I loved her dearly. Knowing that she is with her wonderful husband, Ed and her precious mother, Mama Vi, makes it okay for her to go home. She will be truly missed by all her loved ones and family, but we will see again one day. If any of you need anything, you know that I am here for you. My family wanted me to pass on their condolences to you also. You are all family to me and I love you all.
