“ *We have just recently found out about Betty's passing. Betty lived next door to us in Snellville for about 13 years. We knew her husband Lint for only a short time before he passed away in 1994, but they were wonderful people. Betty was like a second mother to us. You could talk to her about anything and she would help you in any way she could. She will be truly missed.##imported-begin##Carole & Eddie Cowart##imported-end##*

“ *Debbie and Family,*

Oh how I cried to hear about Betty's passing. I recall her sitting in Mimi (Sarah's) hospital room crying and holding her hand as she passed and saying "don't worry honey I'll be right behind you." She didn't realize I was behind her and of course I hugged her and told her to stop being silly. Never would have dreamed she was right. I am also sorry to have missed the ceremony - would like to have been there. Please accept my genuinely heartfelt sorrow at your loss. She was as much a part of our family as anybody could be, I feel like I grew up with her. Such a special lady, giving beyond measure. I will pray for your family. I do feel comforted that she is now in the kingdom of heaven and with my Mimi to bring her joy. Love, Briana Juskowiak###imported-begin##Briana Mucklow Juskowiak###imported-end##

“ *Debbie, Cathy and Pat,*

I am so sorry to hear of your mother's passing. She was truly a wonderful lady. You see we go back a long way. Your Mom and mine, Doris Conner Smith, were best friends and worked at CDC together for many years.

I was around when you girls were small. We visited a good bit but you probably don't remember.

I remember your Dad, Lint.

He was the most gentle, humble man..a perfect match for your Mom. We've lived through all your growing up , sad times and good times. This is one I can tell you will hurt as badly as losing your Dad.

We loved them both. Please know we will remember all of you in prayer. Look at your three.....what a legacy your mom & dad left.

*In loving memory,
