“ *Although I didn't know Aunt May that well, I knew she was such a sweet lady and it was an honor to know her. I cherished the times that I met her at the family reunions and at her birthday parties. I know that she is in a better place now. Waiting for all of her loved ones to come be with her again.##imported-begin##Ashley Baker##imported-end##*

“ *To all the Moon family I want to let me know I feel your sorrow and she will be greatly missed. On the other hand, she is in a much better place than we are right now, and she will be there waiting for you to come and join her someday. May God be with you during this time, and know you are in our prayers. Keith and Patt Tucker (Amanda and Madeline's grandparents)##imported-begin##Patt Tucker##imported-end##*

“ Aunt Bernice and family,

*I was sorry to hear about granny Moon she was a granny to me to. I knew her as Granny Moon. I remember when we were all in Church together and she was so happy. She always had a smile on her face. But I know that it is hard to give them up but you know where she is today she is in a better place. She live a very long hard life . You don't have to see her suffer anymore. We know where she is and she is singing with all our love ones up in heaven now. She will me miss.*

*Love you all,
