“ So many fond memories of Aunt Bev growing up with cousin RJ. From Port Hope at the cottage, hockey and lacrosse, swimming at Willowridge and all of the many family holidays we enjoyed together. Always encouraged me in my life choices and especially supportive of my career. After the passing of my Mother it was Aunt Bev that walked me down the aisle at my wedding ceremony with Uncle John as well and who cared for all of there nieces and nephews with unconditional love. Rest peacefully.

“ Steve & I send our warmest condolences to you, RJ and Phyllis, and to your families who feel deep sadness and loss with Bev's passing. She has been a wonderful friend, full of fun, delighting in making times together special. Our friendship began in working together and you may imagine she brought her sense of humour to us there as well as stretching it to our visits in Georgia and also here in Ontario. We were often invited to get togethers with your Canadian family who we have come to know through the years. I thought I knew them before I met them as she joyfully talked of her sisters, brothers-in-law, her mother, nieces, nephews and their families.

We are happy through her we came to know you, RJ, to see you in your many roles from teenaged to loving husband, to caregiving son. Also of great importance and fondness was knowing John. My family remember Beverley well and also express their thoughts of sadness and of the joy of knowing her. My sister phoned me immediately on hearing and reminded me of snorkeling in her pool getting ready for scuba certification. Soon after she and John moved to Vinings, my 4 year old son and I arrived on the doorstep delivered by my sister and brother-in-law on their way to a dive boat in Florida. We arrived looking like the Beverley hillbillies with vehicle packed high with camping gear. We arrived in the middle of a cocktail party! Without a flinch we were welcomed and included the Canucks had arrived.

I have the best of recollections and memories. I cherish our friendship and will celebrate forever what she meant to me.
