“ I knew you ever since I was little and moved into Meadowbrook; I remember many a day waving to you as you walked Doodle on the street and you always stopping to ask me about my life and school. I remember going to sell you Girl Scout cookies and ending up staying over an hour talking with you. You were one of the sweetest women I have known, and I have thought about you so many days lately, and was sad to learn of your passing. I will dearly miss you and your sincere concern and love for everyone around you. I will certainly be a better woman for having known you. I'm sorry I could not be there at your funeral, but I will make you proud here at college to try and make up for it. You are sorely missed and loved.##imported-begin##Allison Straton##imported-end##

“ To Granny,

I love you so much. You were the best Granny a kid could ask for. You were also the greatest Christian example i have ever known. There are few people in this world who are treasures. You were a treasure. One of a kind.

We love you and we miss you, but we know you are alive in our hearts today and forever.

My lasting memory of you will be the time i came to visit you 2 years ago in 2005 We didn't get out of the house much, but we had great conversations on all topics and we watched the Braves game every night. That was a great time. i will treasure that memory of you for as long as I live.

I will miss the conversations we had going, but I have solace in the fact that I will see you again in heaven someday at the throne of our Saviour Jesus Christ.

All of the family misses you. We love you Granny and miss you so much.##imported-begin##Michael L. Morrill ##imported-end##

“ Hi, my name is Nicole, and i loved Mrs. Beverly. When i moved to Georgia almost eight years ago, i lived with my grandparents and they lived across the street from Mrs. Beverly. I was only six years old and i was lonely and didnt have any friends yet, but i saw the cutest poodle walking down the street one day, and what six year old wouldn't be drawn to that? Well thats when i met Mrs. Beverly. She was so sweet to me all of those years as i was growing up, and i brought my friends to her house and i could talk with her for hours and hours! She was ont of my dearest freinds. When I had heard that she had gone to the nursing home, I wanted to be updated every day, seeing if she was alright. When my grandparents came over to my house to tell me she had passed away,it hurt me so much. She was such a good person, and you should be proud to have been her family. I know that i was proud to have known her. Now I am fourteen years old, and i wish i could've said thank you for all the things she has ever done for me and all the time she spent with me.##imported-begin##Nicole Rodriguez##imported-end##

“ Beverly was a wonderful friend as well as a hard-working church member. She loved her family, her poodle, and loved to tell of her many happy years in southwest Atlanta. Always a joy to be around, she is greatly missed.
Brad and Kathleen, you are in my prayers.##imported-begin##Martha Brown##imported-end##

“ Miss Beverly was Nicole's best friend. Nicole moved here when she was 6 years old, and we lived across the street from Miss Beverly with my mom and dad. Nicole and Miss Beverly hit it off from the first time they met! Everyday, Nicole would ask if she could go to Miss Beverly's. They walked Doodle together, and just had a nice time together. I was always so thankful to God that Nicole has Miss Beverly. She was the answer to a lot of prayers. Their friendship was something special; she helped Nicole so much; I don't think she ever knew how much we all loved her. We miss her very much, and we are so sorry for your family's loss. Sincerely, Cheryl, Raymond, and Nicole##imported-begin##Cheryl and Raymond Morales, and Nicole ##imported-end##
