“ *Jan & Lindsay, I have so many fond memories of your family. I used to always enjoy going over to your house to visit. It's sad to hear of your mother's passing. She was such a fine lady and a wonderful friend to my mother and me. It was nice that she was able to spend her final years in Georgia with you all. My sympathies to you and your family. “ We both used to work at Pilot Life and have very fond memories of Beyrl. She was a sweet and kind lady and always had a smile when you passed by her desk. We're very sorry for your loss and will certainly remember you in our prayers.##imported-begin##Judy & Harold Kirkman##imported-end##

“ Jan and family. I was taken back when I saw Beyrl's notice. Mom is also on the visitation list. She passed away on the 17th. I also understand that Kathleen passed away a few weeks ago. I'm so glad that they had a chance to be friends and keep up with each other. It would have saddened them to know that the other had passed. It was the way it needed to be. My prayers are with you.

“ My condolences to the family. I worked with Beyrl for several years. The picture is how I remember her. She was always a very outgoing person who loved life. She was somewhat older than most of our claims processors and therefore became a "mother figure " to them, a role she gladly accepted. She Loved her family and spoke of you often. My thoughts and prayers are with you.##imported-begin##Jimmy Jones##imported-end##
