“ *My name is Rick Pearson. I played for the Meraloma's when Bill was on that team. Actually I sat on the "bench" when I was on that team.. Bill was jumping back and forth with the LIONS at that time. On one occasion when we had been given new jerseys, Bill was cutting the sleeves off his jersey as the day was going to be hot out there at the stadium (Brockton Oval). I thought that was a good idea, so I started to cut my sleeves off when the equipment manager grabbed the scissors from me and said "what are you doing?" I told him why Bill was doing it and so would I. He said "Bill Can.... you can't". I knew then for sure how important I wasn't and how important to the team "Bill" was. LOL He was always a great personality in that space. One of a kind. Lord may your Mercy prevail on all of us we pray.*
