“ *I remember Ridgewood Drive and our parents taking us to the Western Electric picnics, the adults playing cards, swimming and enjoying their lives while we kids ran around enjoying too. My heart is sad for you; the pain is real. Wanda, Wayne, Wendy, and Willa please know we are praying for all of you. I'm so thankful our parents brought us up and introduced us to Jesus. It is wonderful to have the hope, and the belief that you will get to see your husband and your dad again.*

“ Fred and I are so sad to hear of Bill's passing. Fred worked with Bill at Western Electric/ATT&T for years. His dad, Fred Sr., and Bill moved their families down here from Buffalo in 1971 when the plant first opened and they were both supervisors there. It was great to discover that we were all members of St. Anna's parish. Our hearts go out to Wanda and to the family. A mass will be said for Bill at a later date, when Wanda is better. I lit a candle for Bill, and the whole family will be in our thoughts and prayers. May our Lord hold you all and comfort you in His loving arms.
