I was sorry to hear that you became so sick and was in so much pain. You are with God and Joyce now, which makes me feel better to know that you are no longer in pain/hurting. You will be greatly missed. Tell Joyce hello and we will see each other again one day. My prayers & thoughts are with your family at this time.

“ Whatever one holds in their heart for a loved one cannot be lost through death.

With each parting a piece of the present dies within us and becomes a part of our past.

However, our soul knows that what we hold in our memory becomes the future without end.

Rest in peace Bill, you've earned it. And, say hello to Joyce for me. Jim##imported-begin##Jim and Mary Bruders##imported-end##
